

Trimble Newsletter January

Mayor James Davis
City Hall - (731) 297-3955

I would like to take this opportunity to wish everyone a Happy New Year. On Monday, January 5, 2009, your newly elected officials held their second board meeting. In order to keep the citizens of Trimble informed, I have decided to offer you a newsletter from time to time so you may be involved with the happenings of our town.

During our January meeting aldermen Raymond Ballard, Darlene Biggers, Jody Hinson, Matt Stafford, and Steven Parker were present. The first order of business was to elect a Vice Mayor for our town. The Board voted unanimously to elect Alderman Jody Hinson as our new Vice Mayor of Trimble.

The Board also discussed my appointment of Judge Jason Hudson for our City Court Judge. Judge Hudson comes to us with experience in Juvenile, General Sessions and Probate courts. Trimble's city judge makes \$100.00 per month when it is necessary to preside for City Court. The Board will discuss the confirmation of Judge Hudson at our February meeting.

Our beautiful Trimble Community Center was also discussed. Anyone wanting to rent our Community Center may do so by contacting Joyce at City Hall. Rental fees are \$35.00 for four hours and \$60 for eight hours. Our Community Center is great for family reunions, birthday parties, weddings, etc. We hope you will take advantage of our Community Center for your personal gatherings.

I would also like your input on community events we can offer for our citizens from time to time at the Community Center. Your suggestions for any type of events you would like to see happen in our town are needed. Please contact Joyce, myself or leave a note in our payment box outside of City Hall. I look forward to hearing them all and utilizing our Community Center to the fullest.

Our Trimble Volunteer Fire Department and First Response Team held a meeting immediately following the City Board Meeting. Discussions on equipment needs, the possibility of a new Fire Department Building and training were discussed. We desperately need more volunteers for our Volunteer Fire Department and First Response Team. The more volunteers Trimble has, the better we will be equipped to handle situations such as fires, tornadoes, earthquakes, etc. We urge anyone interested to please contact Joyce as soon as possible.

Since our Fire Department is a Volunteer Fire Department, we need to conduct fundraisers for updated equipment. If you would like to be involved to help with ideas and/or fund raising events please contact Joyce or myself. We welcome everyone's suggestions and help in making our Fire Department the best it can be.

I invite everyone to become further involved in our town by giving us your suggestions not only on the topics discussed here but also matters that concern you. Please feel free to call me at City Hall at your convenience.

Everyone is invited to attend our next Board meeting on Monday, February 2, at 7:00 p.m. at City Hall.

Your involvement in our community will only make Trimble a greater place to live.

*Thank's
James*
